The information entered below is for the Sponsor/Parent or Legal Guardian's contact information:

- First Name, Last Name, Email Address, Phone Number, Street/PO Address, City, State, Postal/Zip Code

You will enter the "Attendees" name(s)/information once the number of Attendees is selected below where it states "Registration Fees" and you proceed to the next page of the registration process when you click on the "submit" button.

Please note: There are "separate" registrations for boy campers and girl campers. In order to keep an accurate count you must not enroll your girl attendees mixed with boy attendees and vice versa on the same registration. Simply enter all the boys on one registration and then go back and register any girls with the girl camp registration they will be attending. Thanks for understanding and your patience as we work through the early registration process.

Select Boys or Girl camp you wish to register your "Attendees for". Then click the "Register" button.
